

**Manage Heart Failure,
Reduce Migraines, Fertility,
Diabetes Management**

For All Ages

KU-Q10

Co-Enzyme Q10

It helps in:

- **Heart Health:** May improve symptoms of congestive heart failure, reduce blood pressure, and reduce the risk of heart-related complications.
- **Brain Health:** May reduce harmful compounds that could increase the risk of neurodegenerative diseases.
- **Fertility:** May help stop or reverse the decline in egg quality and quantity as you age .
- **Diabetes:** May help reduce LDL and total cholesterol levels, and improve blood sugar control
- **Migraines:** May reduce the frequency, severity, and length of migraines

Composition

Each tablet contains:

Co Enzyme Q10 (USP).....50mg
