

DAILY MULTIVITAMIN SUPPORT

For Childrens

D-Lam Syrup
Vitamins + Calcium

Vitamin A (BP) 1200IU: normal vision, the immune system, reproduction, and growth and development. Vitamin A also helps your heart, lungs, and other organs work properly.

Vitamin D3 (USP) 100 IU: Helps in healthy muscle and nerve function as well. Vitamin D3 strengthens the immune system to help the body fight off bacteria and viruses.

Vitamin B1 (USP) 1 mg: Helps in converting food into energy, supporting the nervous system, and maintaining overall health, including heart and brain function

Vitamin B2 (USP) 1 mg: plays a crucial role in energy production, metabolism, and overall health, acting as an antioxidant and supporting healthy skin, hair, and vision.

Vitamin B6 (USP) 0.5 mg: Helps in brain development, immune function, and energy metabolism, and is essential for maintaining a healthy nervous system.

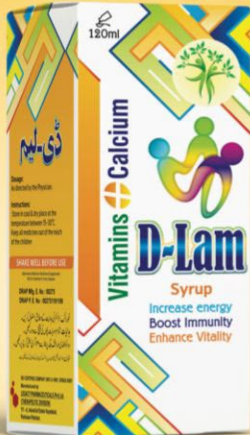

Nicotinamide (USP) 5 mg: Helps in reduce the appearance of pores, possibly protect against skin cancer, treat dark spots, reduce wrinkles and fine lines,

Dexpanthenol (USP) 2 mg: Helps in skin hydration, wound healing, and anti-inflammatory properties.

Vitamin C (USP) 50 mg: healthy skin and wound healing, and potentially aiding in cancer treatment and preventing iron deficiency anemia.

Vitamin E Acetate (USP) 1mg: helps in to prevent or reduce several health conditions, such as macular degeneration and heart disease, due to its antioxidant properties.

Calcium Lactate Gluconate (USP): Helps in Low calcium levels such as bone loss (osteoporosis), weak bones (osteomalacia/rickets), decreased activity of the parathyroid gland (hypoparathyroidism), and a certain muscle disease (latent tetany).
